

THE AUDITION

A FAST PLAY MODE.

YOUR CHARACTER CARD IS THE ROLE. PROVE YOU DESERVE THE PART.

SETUP

- The Supreme Bitch deals each player a **Character Card**, the matching **Reveal Card**, and an **Energy Marker**.
- Your **Character Card** is the role you must audition for.
- Use your **Reveal Card** and Energy Marker to shape your performance.

HOW TO PLAY

- Go around the circle.
- Each player has 30 seconds to audition for the role of their **Character Card**.
- Show the room who your character is, how they speak or behave, and why you were born to play them.
- Own the role. Sell the delusion. Convince the room you deserve the part.

THE GROUP DECIDES

After everyone has auditioned, each player votes for the performance they would cast.

You cannot vote for yourself.

Anyone who receives zero votes drinks to rejection.

- **Nailed It** = Safe | **Needs Work** = Drink

CURTAIN CALL

The player with the most votes gets the part and earns the title:

TONIGHT'S MAIN CHARACTER

TIEBREAKER

Tied players have 10 seconds to deliver one final line as their Character Card.

The room votes again.
